23 November 2025

We’ve looked at the who and the what, of the Millennial Kingdom.

And now we look at the _____ of this Kingdom.

How long does it last? It lasts _____.

The last part of this chapter deals with the _____ of His Kingdom.

In Daniel, the sequence of the Kingdom is unfolded in a series of five great truths.

Number one – the Kingdom of Christ follows the kingdoms of the _____.

Chapter 7 of Daniel is one long vision, but within that vision, there are three segments.

In verse 2 the “Great Sea” is the Mediterranean Sea.

Generally speaking, the number 4 is associated with the _____.

The sea here represents humanity.

In verse 3 the beasts are monsters.

In Daniel 2 the four great world empires are seen from man's viewpoint. Here they are seen from _____ viewpoint.

The first beast is Babylon. A lion with eagles' wings.

The lion's wings being plucked are Nebuchadnezzar's _____.

The second beast, like a bear, in verse 5 is the Medo-Persian empire.

It "raised up itself on one side" because the Persians dominated the Medes.

Verse 6 speaks of the Greeks, a leopard with wings. This would be an incredibly fast animal.

And the speed with which the Greeks conquered the known world was without equal.

In an overwhelmingly accurate prophecy this beast has four heads. At the end of his reign, Alexander had four _____ that divided his world empire.
