

And I really don't think that it's going to get any easier.

There are four great truths that you need to hang onto here. First, the presupposition, then the plan, then the problem, and then the purpose.

And we are to be a preservative; we are an antiseptic in the world to retard the spread of its corruption.

Salt is the influence of Christian character. It is quiet, but powerful. Light is the communication of the content of the _____.

We have to turn on the light of the gospel to transform that corruption into incorruption.

Ever and always, beloved, those two things go together: the _____ and the _____.

God is light, and the Word of God is light, and Christ is the light that we are to shine on the world.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to “...contend earnestly for the faith which was once delivered to the saints” (Jude 3). “Therefore, whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

“O God, if we had only joined hands sooner.”

There's a world of lost men, there's a world of lost women, there's a world of lost boys and girls, way out in the field of the world, and they can't find their home, they can't find the Father's house, they can't see above the wheat of the world, and they're perishing in the night of sin; and when the cold morning dawns, it'll be too late...

Join hands and be salt and light.

Jesus is calling on us to influence the world for His glory, to find the lost before it's too late.

The _____ described in the Beatitudes makes it possible for us to affect the world.

And the Lord is saying that that's something we have to do.

I think God wants us to confront the world.
