

Next let's examine the _____.

And the problem is the danger of _____.

If sin enters our lives, and if we don't walk in the Spirit, then we will stop being effective as salt, and we will be useless as light.

There's no place in God's economy for a secret disciple; there is no place for a clandestine Christian.

And if sin enters a Christian's life, they can lose their _____.

You certainly don't light a lamp and stick it under a basket; that's absolutely absurd.

Some of us have got within us the treasure in earthen vessels, the Gospel of Jesus Christ, only - nobody knows it.

If you're going to be a light, you've got to get your light where people can see it.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to "...contend earnestly for the faith which was once delivered to the saints" (Jude 3). "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God." (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

God is light, the Word of God is light, and Christ is light; and that is the light that we are to shine on the world. And it's got to be _____ and supported by a life that is consistent.

This is the primary duty of the church, to be light in the world, to spread the message of salvation.

At one time the Jews had been the light, but no more...

The _____ would now be the light.

If they are going to criticize us, let them have to make up something, because there is nothing they can use against us.

We can't just be a secret influence; we've got to be visible, and the light must shine openly.

The point here is that a city can't be _____.

The whole world ought to see us.
