**The real fact of salvation is in Matthew 25, verse 34.  
The proof of it is in verses 35 and 36. They are only  
\_\_\_\_\_ evidence of an inward sovereign grace.**

**Jesus is judging them according to their works but  
only insofar as their works are a manifestation of the  
redeeming act which God foreordained in their  
behalf.**

**The mark of salvation is always the same; it is  
manifest \_\_\_\_\_.**

**The reason these people do this is because they are  
made righteous in Christ.**

**Whatever you do to another \_\_\_\_\_, you do to  
Christ.**

**The least are usually the most trouble. Have you  
noticed that?**

**Men have chosen to identify in the rebellion, and  
they go there by choice to a place not even intended  
for them.**

**Never with a proper motive, never with a heart of the love of God do the unregenerate minister to the saints.**

**People are damned to hell by what they don't \_\_\_\_.**

**It is everlasting punishment where the worm does not die and the fire is not quenched, where the smoke of their torment goes up forever. No kingdom for them. They leave the earth. They're gone from the earth, never to return, to go into eternity without God.**

**Eternity will be just two places. And every person that ever lives on the face of the earth will be in one or the other.**

**The people of this age are divided into three groups: the Jews, the church of God, and the nations.**

**What we're going to see in our new study is the downhill slide of the world to destruction. And we will entitle it, "The Fall of the World."**

**What's wrong with the world? Well - the world is living in rebellion against God.**
