**If you want to enjoy the \_\_\_\_\_ and the \_\_\_\_\_ of this hope, then abide in Him.**

**Being secure and abiding, we will have confidence and not shrink from Him in shame at His coming.**

**Secondly, our hope is manifest by our \_\_\_\_\_.**

**If you know absolutely that He is righteous, then you can perceive that the one doing righteousness is reflecting His life. The Son will be like His Father.**

**A believer is known not by what they claim, but by how they live.**

**What sets a Christian apart, is a longing to \_\_\_\_\_ Christ.**

**When you're talking about a righteous life, you're talking about the \_\_\_\_\_, you're not talking about \_\_\_\_\_.**

**Third our hope is established in \_\_\_\_\_.**

**God's love is utterly unknown to us, not at all like human love. It is alien, it is a love that human experience doesn't know. It's a love that's outside of us, above us, beyond us.**

**His *Agape* love is a love of the \_\_\_\_\_.**

**This love is from the Father. It is alien, it is foreign, it is not earthly. The source and the origin are heavenly.**

**This love is free, uninfluenced, undeserved, unmerited, spontaneous and sovereign.**

**We have our hope because He loved us into this hope.**

**God is lovingly holy, God is lovingly omniscient, God is lovingly just. God is lovingly vengeful. God is lovingly gracious. God is lovingly holy.**

**Jesus loves the world. But His love for us is different than that. It is a saving, complete love.**

**His love for us is a love that only \_\_\_\_\_ know.**

**We have been loved into being children of God.**

**Because we are the children of God by His sovereign, saving, supernatural love, having been transformed, the old life is gone, and we walk in newness of life, we are new creations in Christ Jesus, the world does not know us.**

**When you're talking about a righteous life, you're talking about the \_\_\_\_\_, you're not talking about \_\_\_\_\_.**

**Third our hope is established in \_\_\_\_\_.**

**God's love is utterly unknown to us, not at all like human love. It is alien, it is a love that human experience doesn't know. It's a love that's outside of us, above us, beyond us.**

**His *Agape* love is a love of the \_\_\_\_\_.**

**This love is from the Father. It is alien, it is foreign, it is not earthly. The source and the origin are heavenly.**

**This love is free, uninfluenced, undeserved, unmerited, spontaneous and sovereign.**

**We have our hope because He loved us into this hope.**

**God is lovingly holy, God is lovingly omniscient, God is lovingly just. God is lovingly vengeful. God is lovingly gracious. God is lovingly holy.**

**Jesus loves the world. But His love for us is different than that. It is a saving, complete love.**

**His love for us is a love that only \_\_\_\_\_ know.**

**We have been loved into being children of God.**

**Because we are the children of God by His sovereign, saving, supernatural love, having been transformed, the old life is gone, and we walk in newness of life, we are new creations in Christ Jesus, the world does not know us.**
