

“The Fall of the World” Lesson 3 Outline
Selected Scriptures
1 March 2026

When the fourth kingdom of the nations is crushed, it will be an earth-shattering event.

You cannot read these kinds of prophecy and be an intelligent skeptic.

The end of the times of the nations is in three phases. 1-the ten-nation confederacy; 2-the ruler rises; 3-it's destroyed and smashed and God sets up His kingdom.

The ten-nation confederacy will in essence rule the world, and this may happen after the fall of the king of the _____.

God and Satan have been at war for a long time.

Satan's particular attack has been on the _____.

He's attacking the church today with everything he's got, mostly by _____, which he has learned is the most effective means to his end.

Satan would like to mess up God's plan for the history of the nations more than anything else.

He could accomplish this by adding a fifth world kingdom.

Hitler, without question, was _____.

It is believed that Hitler was totally controlled by outside influences other than this world.

Hitler was a man out to conquer the world.

He believed in the hollow Earth theory which said that the Earth was hollow and was occupied by advanced beings, and they had powers far beyond human beings, and they were going to emerge in time and conquer the Earth.

The Third Reich was wedded to black occultism.

Hitler was believed to have been a _____.

The swastika is an ancient, magical sign from Asia.

Who was behind him? Obviously, Satan.

“There is another species of humanity which does not deserve the name. Left as a relic of some baser form of life, created along with hideous crawling creatures, gypsies, Negroes and Jews. They are as far removed from us as animals are from humans. I do not mean I look on Jews as animals. They are much further removed from animals than we are. They are creatures outside nature.” Adolf Hitler
