

“The Fall of the World”- “The Mystery Religion”

Lesson 8 Outline

19 April 2026

Selected Scriptures

Nimrod, the founder of false religion, had a wife and his wife was a real winner. Her name was Semiramis.

Eventually the religion that was based on her ended up in _____.

Semiramis supposedly gave birth to a son that was conceived by a sunbeam.

The beliefs of these false religious systems are designed to be a _____ to Christianity.

The worship of Semiramis also involved priests, sacramental rites, dedication of virgins, and purgatory.

In the Old Testament they were worshiping the _____ of _____.

In the Tribulation most people who are saved are going to die.

So that was our first point here; the final “union” with “Satan” in this false system. The second thing is the final _____ of the _____.

The world is going to be sucked into this false system.

The whole world system is going to try to fight Christ.

The political system lets the religious system exist for a while and then it _____ it.

If the whole world's going to worship you, you got to get the word out. So, the antichrist has a super-agent; the _____.

It is at his urgings that the world worships the "image of the beast."

This system will come together in the tribulation.

The beast and the false prophet are cast into hell and become its first two occupants.

When Christ comes and conquers this system, He sets Himself up on His throne to be worshiped by all the world forever; that means that false religion has run its cycle from Babel to Babylon.

But you need not be a part of that world.
