

Evangelism must confront people with the holiness of God.

More than anybody else in the whole Bible, Jesus preached _____.

Evangelism and proclamation start with the holiness of God, over the sinfulness of man, and then the demands of that holy God.

Unless we understand the truth about sin, we can never really understand _____.

We think we're holy because of the things we do or don't do.

But that's just of _____ - _____.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to "...contend earnestly for the faith which was once delivered to the saints" (Jude 3). "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God." (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

Obviously, our Lord is talking in this sermon about _____.

Jesus presents His listeners with a standard they can't keep and thus faces them with a sin problem for which they have no remedy.

He is forcing them to see the need of a Saviour, knowing full well He will offer Himself as that Saviour.

We learn from this that it's _____ to deal with sin.

Unless one understands the truth about sin, he can never understand the truth about _____.

The deeper the disease, the greater the remedy.

We will never understand what Jesus' death means until we understand how evil sin is and how deeply stained is the heart of every man that He would have to go to that extreme to accomplish salvation.

Unless you understand the truth about _____, you will never understand the right approach to _____.

Evangelism always begins by presenting the _____ before _____.
