

Divorce is like amputating your leg when you have a splinter.

Any violation of the marriage union was so serious that the penalty for it was _____.

Fornication, in the Old Testament sense was sexual activity not involving a married person, and fornication is a sin.

In the last of the Ten Commandments He said, "You shall not covet your neighbor's wife."

God said I want My altar on _____ ground.

God has a view that marriage is a monogamous, lifelong, permanent union between two people. It is an indivisible oneness.

The first truth we must take away from this is that we must be committed to the uniqueness and permanence of marriage, two becoming one for life, never violating that oneness in thought or in deed.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to “...contend earnestly for the faith which was once delivered to the saints” (Jude 3). “Therefore, whether you eat or drink, or whatever you do, do all to the glory of God.” (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

You cannot understand divorce unless you understand marriage; you will never understand how God views a separation until you understand how He defines the union itself.

In Genesis 2 God promotes the idea of the marriage bond as being glued together; two people become one single individual.

It is the commitment of two wills, it is the blending of two minds, it is the mutual expression of two sets of God given emotions, so that the two become one, and the goal is a perfect _____.

In God's definition there were two and the two became one, in every sense.

"What God has joined together, let no man divorce."

All marriages are God joining those two people together, even if it isn't always a spiritual union. If they're not Christians, it is always an institution of God, because marriage is God's _____.
